

The Cedar Hill Greenwood Cemetery Company

Sponsoring A Tree

The purpose of the program is to provide an opportunity for lot holders and friends to assist in the continuing efforts to maintain the grounds of Greenwood Cemetery and to establish a lasting memory for a loved one. The program consists of the purchase and planting of a tree and a granite plaque, with a message, such as "Dedicated to Memory of Bill Best."

Every effort will be made by Cedar Hill Greenwood Cemetery to maintain the trees in a healthy state, but no guarantee is made on the life span of the trees.

The following details apply:

1. Black granite plaque (7" X 9" slanted) with up to 4 lines of printing. (Our office staff will be pleased to help with the wording).
2. Locations will be offered in areas designated by Greenwood. (Please ask our Superintendent to show you what is available.)
3. The trees will be planted, maintained by, and be the property of, Cedar Hill Greenwood Cemetery.
4. The cost will be \$400.00, plus HST, to be paid at the time of ordering.

Please indicate the type of tree(s) you'd like to sponsor. Write the number of trees you'd like to sponsor next to the tree variety.
